## Dear Families and Supporters of the Class of 2024,

Planning for commencement has already begun. We hope this tentative schedule will be helpful as you begin to make arrangements to celebrate this special occasion.

### Accommodations

---

The College will have residence hall accommodations available for approximately 1,600 families, guests, and alumni from Friday, June 7, until Sunday, June 9. As undergraduate residences, they do not offer the amenities found in a hotel, but their convenience to on-campus events makes them a popular housing option. Information regarding on-campus housing will be sent to families in winter 2024.

Please note that the Hanover Inn is reserved for trustees, honorary degree recipients, and the 50-year reunion class.

For more information about lodging visit [dartgo.org/visitors](http://dartgo.org/visitors)

### Announcements

---

Graduation announcements may be purchased, March through June, at the Dartmouth Co-op.
